*Input voltage: DC(12-24V)/ AC100-240V

*Application Range: Hotel, Courtyard,house,club, outdoor place,etc

# Neon Light Series

Power supply NOT included. You need to buy 12V 3A output power supply separately to get this neon LED strip light to work! )
The neon light may flicker if you used an adapter below 3A. 3) Unlike traditional LED strip light, there is no self-adhesive tape on the back of this kind of neon strip light!
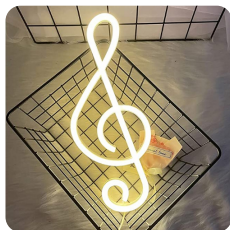

Compared to normal LED strips, this neon LED light strip are more flexible and you could easily bend it for shapes you want. It can easily adapt to kinds of corners. Covered by silicone wrap, it's IP65 waterproof and suitable for indoors and outdoors usage. No worry and just do your decoration!

Like the normal LED strips, you can cut it to DIY special residential decoration or design unique commercial sign. And it's dimmable as well, but dimmer is not included in the parcel. You can buy a single color strip light dimmer to control the brightness. This neon LED strip light works with 12V direct current which makes it low heat. So it is touchable for kids and adults.

An LED neon sign is the perfect way to show off your personal style anywhere. Add the "Good Vibes" neon signs as the perfect decoration to liven up any dull space with the radiance of the neon lights. It also makes an ideal gift for Wedding, Birthday, Valentine's Day, Christmas and other celebration occasions - GREAT for anyone who loves a cool vintage vibe.you can develop any pattern you want.
